**AQUARIUM
TEST STRIPS**

7 in 1

100 Strips

Warning

- 1. Keep out of reach of children.
- 2. Avoid touching the strips.
- 3. Close cap after removing strip.
- 4. For best results, use natural light.
- 5. Store in a cool, dry place.

Instructions

- 1. Immerse the strip in aquarium water for 15 seconds, then remove.
- 2. Do NOT touch the strip with your fingers. Hold the strip by the top edge.
- 3. For CHLORINE, wait 15 seconds. For other parameters, wait 30 seconds. Read results immediately.
